Coach Marisa is a junior at Neuqua Valley High School. She has been playing softball for six years and pitching for four years. She has been a starting pitcher her past two years at Neuqua, and a starting pitcher for the Downer's Grove Outlaws. In her 2009 summer season, out of 200 batters faced, she walked only 9 batters, struck out 48 batters in 47 innings pitched, had an overall ERA of 0.169 and allowed only 8 runs. In her freshman year, she was awarded Defensive MVP. She has had much pitching training, and she has also participated in several clinics, such as the Howard Kobata clinic and the Sharks/Stone City Pitcher Exposure Camp. In addition, she has also taught a clinic for young pitchers with Coach Jessica Siegel. Marisa's pitches include fastball, change-up, screwball, drop ball, rise ball, and curve ball. Marisa loves softball and promotes this love within everyone she coaches. She believes that to become a successful pitcher, you need to have strong, secure fundamentals and play with your heart.
